- Tijd: 13:00
- Publiek: 54

Should you, as a European, risk writing jazz music? What are the pitfalls of writing for a band? How do you test if something works? How do you deal with negative feedback from colleagues? Or rather: how do you make sure your band enjoys playing your compositions?

**Ellister van der Molen** and her band will play her original compositions and will answer these and other questions along the way, supplemented with juicy anecdotes.
